

Azelin Decker

Azelin began working at Cornerstone Childcare Center in May 2021. She is working in our preschool department.

She was born in Maine and they lived there her first few years. When they moved to Kansas, she started school in Lyons. She graduated Lyons High School in May 2021

She comes from a large family. Besides her mom and stepdad there are a total of 10 siblings, 5 boys and 5 girls. She grew up with 4 of them.

During her free time, she likes to draw, paint, read, play tennis, and spend time with family and friends.

Her most rewarding accomplishment is finishing high school. As she says, all those years finally paid off. She is most proud of some of the art that she has made.

Her dream vacation is to go to Dubai. Her favorite food is ice cream, her favorite color is aquamarine, and her favorite candy bar is 3 Musketeers.

An interesting fact is that of all her siblings only 1 is a full sibling.
