## ABOUT CAREY

Carey Steele began her career in early childhood education at the age of 18 when she entered the University Of Missouri. She began working at Cornerstone Childcare Center & Preschool as a Substitute Teacher in 2012. She began teaching preschool in the fall of 2016. She has taught many different ages from preschool to 3rd grade. She stayed at home while her children were young, but she has missed teaching. Carey has always wanted to be a teacher. She can remember setting up a classroom in her room as a child. She loves to teach! Carey holds a B.S. in Education - Early Childhood Education from the University of Missouri. She attends First Baptist Church, where she is an active member of the Christian Education Committee and the Praise Team.

Carey grew up in small town of Wellsvillie, Missouri. Since graduating college, she has lived in Tennessee, Missouri, Ohio, and Tennessee; again and finally Lyons, Kansas. She married her high school sweetheart, Nathan. They have been blessed with 4 beautiful children, William, 2003, Samuel, 2005, Jonathan, 2010 and Lillian, 2014.

In her spare time, she likes to read, cook, and be with her family. Hiking and camping are always favorites for them. She enjoys music and singing. Carey has loved Italian food since she vacationed in Italy. Pizza is her favorite. Her favorite colors are yellow and red. Yellow makes her happy; and red drives her passion. Her favorite candy bars are Reese Peanut Butter cups. Carey's dream vacation is to go around the world. There are so many places to see.....and she wants to see them all.

When asking Carey what her most rewarding accomplishment is, she responds with, "helping a child learn a new skill. It always makes me want to teach them more!"
