

ABOUT MICHAELA

Michaela Preusz began working at Cornerstone in September 2018. She works in the School age department. All the children love her, and she loves the children.

She is a student at Sterling College. Michaela is pursuing a degree in Business Marketing and Finance. She was raised in the small town of Pickens, South Carolina.

Michaela has a huge extended family that loves to get together. They have Sunday lunch, cooked by her grandma, every week. In her free time, she loves playing softball, spending time with her family and friends, and working on the ranch with her cows.

Michaela's dream vacation would be to go to any beach. Her favorite color is purple, and her favorite candy bar is Three Musketeers. Michaela's favorite food is a good steak!

When asked what her most rewarding accomplishment is, she responds with "the most rewarding thing I've ever felt has been investing in children & seeing them grow - intellectually, behaviorally, spiritually, etc." Michaela is most proud of where she came from. The family, friends, and community that built a lasting foundation in her, based on loving Jesus and loving others.
