

VICTORIA DILORETO

ALL DEPARTMENTS

ABOUT VICTORIA

Victoria began working at Cornerstone in February of 2021. She will be able to work with any of the children in our various departments.

Victoria spent most of her youth around San Diego, CA with a few years in Stafford, KS. She attended Pallomar Community College.

Victoria and her wonderful, sometimes over-sensitive, husband have a sweet five-year-old daughter and a rambunctious 7-year-old boy who keep them on their toes. They moved to Lyons in 2020.

Her most rewarding accomplishment is raising her family. She is proud of a corner-to-corner blanket she crocheted for her kids for Christmas. She loves to crochet and read during her free time.

Her dream vacation is to go to Japan. Her favorite color is purple, and her favorite candy bar is a Take 5. An interesting fact is that she can trip over air.
